FY 2018 Form 471 Application #: 181042063

Dear Ms. Dortch,

I am writing to respectfully request the FCC to grant a waiver of the Funding Year 2018 Form 471 deadline so that our Form 471 E-Rate application will be considered as having been filed within the 'window.' The Form 471 was submitted on 3/28/2018.

There were significant storm related issues which delayed the decision process for selecting a vendor for this project as well as the actual filing of the application. Egg Harbor Twp. SD was closed on 3/21/2018 and 3/22/2018. The school district also experienced major technology issues that needed to be addressed on the 23rd. Subsequently, I did not receive the necessary information to complete the filing until 3/28/18 at which time the application was submitted and certified.

We realize that previous precedent is for the Commission to grant Form 471 deadline waiver requests if the Form was submitted within 14 days of the Form 471 deadline.¹ In light of the reasons stated above, we respectfully request the FCC view these extenuating circumstances as good cause to waive the Form 471 deadline for this application.

Thank you for your consideration of our request.

Respectfully submitted,

Michele Quinn
